

Leavitt's Mill Free Health Center Spring Fun Run

Leavitt's Mill Free Health Center is a volunteer driven community supported free health center, providing primary medical care and dental services to uninsured persons in the surrounding area.

The 3rd annual Leavitt's Mill Free Health Center Spring Fun Run/Walk 5K will take place on a scenic route along the Saco River in the Historic Bar Mills area. The run starts at the Health Center and proceeds down Egypt Road to the small bridge at the half way point, where the turnaround is. There are a few small hills, and some winding turns amidst shaded trees and the shore of beautiful Saco River.

At the completion of the race, live music, outdoor BBQ treats, yard sale and health fair will be available. All proceeds go directly to the care of the patients at the health center. Please visit our website for more information about the health center <http://www.leavittsmill.org>
